UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

ORDER OF ADOPTION

GENERAL ORDER NO. 05-02

The Chief Bankruptcy Judge of this district and the Clerk of the Bankruptcy Court, with the participation of the Executive Committee of the Bankruptcy Section of the Nebraska State Bar Association and the United States Trustee and all of the bankruptcy trustees in the District, plus representatives of the Internal Revenue Service, have drafted proposed amendments to the local bankruptcy rules. All of the attorneys registered on the electronic case filing system for the Bankruptcy Court for the District of Nebraska have received a request for comment of the proposed draft. Some of the comments which were received were included in the proposed draft and some were not.

The final date for comments has expired.

The Chief Bankruptcy Judge has determined that the proposed amended rules are consistent with, but not duplicative of Acts of Congress and do not prohibit or limit the use of Official Forms. In addition, the Chief Judge has determined that the proposed amended local rules do conform to the uniform numbering system prescribed by the Judicial Conference of the United States for Bankruptcy Rules. The Chief Bankruptcy Judge does now recommend to the United States District Court that the final draft of the rules submitted to the United States District Court on January 5, 2005, should be adopted by the District Court pursuant to Federal Rule of Bankruptcy Procedure 9029.

IT IS, THEREFORE, ORDERED that the proposed amended local rules of the Bankruptcy Court as submitted to the District Court are adopted.

The amended Nebraska Rules of Bankruptcy Procedure are effective as of January 28, 2005, subject only to review by the Judicial Council of the Eighth Circuit Court of Appeals.

DATED: January 28, 2005.

Joseph F. Bataillon, Chief Judge

Richard G. Kopf, Judge
