

Omaha Parking

Important information

Please be prepared to pay to park. Reasonable parking fees are reimbursable. Off-street and on-street parking are available near the federal courthouse. The court is not liable for theft of property or damage to vehicles and cannot reimburse parking fines.

The off-street garages near the federal courthouse provide flat hourly rates (see below). Pay attention to clearance levels in the parking garages, garage signage, and reserved spaces.

For on-street parking, the City of Omaha operates metered parking spots with progressive hourly rates. You can download the Park Omaha app or the ParkMobile app, create an account, and use it to pay for parking at any metered space or text "PARK" to 77223 (accepts card payment). You can also "pay by plate" by entering your license plate information at a multi-space meter (which accepts coins or card payment).

Visit www.parkomaha.com for additional downtown parking information.
