<sup>1</sup> “MRO” means “Mediation Reference Order.” Some mediations of federal court cases take place without the entry of a mediation reference order.

<sup>2</sup> Viewing this number alone may skew the statistics. We are now learning about mediations that have occurred without MROs when they *have settled* (see note 1, above); however, we know of very few cases that were mediated and *did not settle*. We are asking for this information at final pretrial conferences so as to better judge the total impact that mediation has on this court’s caseload.
