**MOTIONS FOR RECONSIDERATION OF DETENTION  
BEFORE JUDGE CARSON**

Motions for reconsideration of detention shall set out an appropriate release plan in accordance with the recommendations of a substance abuse evaluation.

Additionally, all motions for reconsideration of detention shall contain a statement as to the respective positions of Probation and Pretrial Services and the Government.

Further, Defendant shall provide to chambers a substance abuse evaluation and a letter of acceptance from the proposed treatment program, accompanied by a statement of the program's requirements contemporaneously with the filing of a motion.
