
Juror Coronavirus (COVID-19) Questionnaire

The U.S. District Court for the District of Nebraska is carefully monitoring the evolving circumstances presented by the spread of the coronavirus (COVID-19) disease and the new developments which impact jurors summoned by the court.

As part of our efforts to minimize exposure, we request that you review the following questions:

1. Over the past 14 days have you or has anyone in your household developed flu-like symptoms such as cough, fever, or shortness of breath?
2. Have you had close contact with anyone who has been diagnosed with COVID-19 in the last 14 days?
3. Are you or anyone in your household at high risk for severe illness from COVID-19 due to a serious underlying medical condition? If you answer “yes” to this question and you are willing to serve after reviewing the safety precautions the court has implemented, **it is not necessary to contact the jury clerk.**

If you answer “yes” to questions 1 or 2 **at any point during your jury service**, please contact the jury clerk immediately so that a possible excusal can be discussed.

For all other jurors who do not fall into any of the categories above, please remain available to serve, unless you are eligible to postpone your service for other reasons or hardships.
