¹ "MRO" means "Mediation Reference Order."

² Some mediations take place without the entry of a mediation reference order. These cases are counted when they are reported by the attorneys to have settled or when there is a final pretrial conference. If a mediated case ends by involuntary dismissal or summary judgment, however, the court is not informed of the fact or results of that mediation. Thus, there could have been more "No-MRO" mediations than appear in this report.
