

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

IN RE: VIDEO TELECONFERENCING
FOR CRIMINAL PROCEEDINGS
EXTENDED THROUGH SEPTEMBER
19, 2021.

GENERAL ORDER NO. 2021-05

The national emergency declared by the President as a consequence of the COVID-19 pandemic remains in effect, and the Judicial Conference of the United States has found that it continues to materially affect the functioning of the federal courts. [Continuation of the National Emergency Concerning the Coronavirus Disease 2019 \(COVID-19 Pandemic\)](#), 86 Fed. Reg. 11599 (Feb. 26, 2021) (citing [Proclamation No. 9994](#), 85 Fed. Reg. 15,337 (Mar. 13, 2020)); Memorandum from the Director of the Administrative Office of the United States Courts to all United States Judges (Mar. 11, 2021) (on file with the Administrative Office of the United States Courts). The effects of the pandemic admittedly seem to be easing, and the Court has resumed normal operations in many respects. But due particularly to risks associated with the housing and transportation of federal prisoners, it still remains necessary to conduct proceedings remotely when the interests of justice require it. Accordingly,

1. The authority conferred by [General Order 2020-07](#) to conduct proceedings by video teleconference, or by telephone conference if video conferencing is not reasonably available, is extended through September 19, 2021.
2. The Court specifically finds, based on the risk of COVID-19 transmission in correctional facilities and the community, that there are in this district some felony pleas under [Fed. R. Crim. P. 11](#) and some felony sentencings under [Fed. R. Crim. P. 32](#) that cannot be conducted in person without seriously jeopardizing public health and safety.

3. The Court will vacate, extend, or amend this General Order no later than September 19, 2021.

Dated this 21st day of June, 2021.

BY THE COURT:

John M. Gerrard
Chief United States District Judge
